

# BOBBY RAUSCH

Inspired by digital and analog, jazz and hip hop, composition and improvisation BOBBY RAUSCH is the sound of young Berlin. Their concerts lead audiences through deep bass valleys, through pulsing groovescapes and the urban night. Drawing influences from electronic beats and rockvinyls alike, BOBBY RAUSCH plays the soundtrack for those tired of compromise. Handmade in Berlin!

Lutz Streun – Bass Clarinet & Effects

Oleg Hollmann – Baritone Saxophone & Effects

Jürgen Meyer – Drums & Effects
